Bail Petitions/Motions for Non-Custodial Procedure During the Judicial Emergency
Effective 4/9/2020

Any petitions seeking the release of an inmate (Bail or Non-Custodial) should follow the set of guidelines below:

1. Any Petitions/Motions seeking the release of an inmate must contain language that the matter is either opposed or unopposed (by DA and/or APPS) or the email conveying the Petition/Motion must state as such;
2. All Petitions/Motions are emailed to Laura Antonucci - lantonucci@co.lancaster.pa.us;
3. Unopposed Petitions/Motions are forwarded to the PJ, the Order is printed, signed and filed;
4. If the matter is opposed, Laura schedules a phone/LifeSize conference with the PJ to be initiated by the moving counsel;
5. If the PJ decides that the contested matter is better addressed by a judge who has more knowledge of the case, counsel will be directed to email that judge with a copy of the Petition/Motion to arrange for a phone/LifeSize conference, if that judge deems it necessary;
6. Counsel are instructed that emailing the judge directly is **ONLY** permitted during this judicial emergency;
7. The judge to whom a matter is directed may instruct counsel to prepare a proposed or modified Order;
8. If the judge is unable to sign the Order because he/she is working remotely, the judge will direct counsel to email the PJ the Order (copy to the judge) noting that the Order is approved;
9. The PJ will sign the Order on behalf of the judge and have the Order filed.
